

Background elements and colours are to extend to the Pink line (5mm outside of the visual area on each side)

The black line represents the perimeters of the visual area (where prints are trimmed to their final size)

All important visual elements (text and imagery) stay inside this Blue line

-  Bleed Area 158x115mm
-  Full Page Size 148x105mm
-  Safety Margin 138x95mm

ARTWORK NOTES:

After following these setup guidelines,
please remove template elements
before submitting print-ready artwork to TDC3.
